

## Link-Belt 80 X3 Included in 2020 Contractors' Top 50 New Products

September 2, 2020 (Lexington, KY)

LBX Company LLC, Lexington, Kentucky announces that the [LBX Link-Belt 80 X3 Spin Ace Excavator](#) has been named one of Equipment Today's **2020 Contractors' Top 50 New Products**, the construction industry's only award program based specifically on end-user input. It is compiled based on user engagement from [Equipment Today magazine](#) and [ForConstructionPros.com](#) over a 12-month period.

The Link-Belt 80 X3 Spin Ace excavator delivers up to 8% faster cycle times, up to 15% increased lifting capacity and up to 18% better fuel economy than previous models. Smooth and nimble, it's perfect for urban construction or working safely near moving traffic. A 54 horsepower Tier 4 Final Isuzu engine is paired with two electrically controlled Kawasaki variable-displacement axial-piston pumps, delivering power and control in tight working conditions. The seven-inch LCD color monitor lets you

easily navigate a full menu of user-friendly control options. A standard rear-view camera displays a panoramic view of the work site. The RemoteCARE® GPS-enabled telematics system allows 24/7 remote monitoring and security. The system tracks and records routine and major service intervals, as well as machine health, providing more flexibility and control. A lifetime subscription is included at no extra charge.

### About LBX Company

LBX Company LLC offers a full line of Link-Belt hydraulic excavators—including standard, long front & minimum swing configurations—from 8 to 80 metric tons, along with scrap and material handlers, forestry machines and work tools. Link-Belt machines and work tools are available through an extensive network of dealers in North and Latin America. LBX's subsidiary company, LBX do Brasil, distributes these products in Latin America. LBX Company is a wholly owned subsidiary of Sumitomo Construction Machinery, a worldwide leader in

construction equipment innovation and quality manufacturing based in Chiba, Japan. For more information, visit [lbxco.com](http://lbxco.com)
