

Amarillo Machinery Now Carries Link-Belt Excavators in the Texas Panhandle

August 11, 2020 (Lexington, KY)

LBX Company LLC is pleased to announce the addition of [Amarillo Machinery Company Inc.](#) as the dealer for Link-Belt® [hydraulic excavators](#), material handlers and parts in Texas.

Amarillo Machinery is located at 6100 I-40 E in Amarillo, Texas 79118, phone 806-372-7800.

This location will serve the counties of Armstrong, Briscoe, Carson, Castro, Childress, Collingsworth, Dallam, Deaf Smith, Donley, Gray, Hall, Hansford, Hardeman, Hartley, Hemphill, Hutchinson, Lipscomb, Moore, Ochiltree, Oldham, Potter, Randall, Roberts, Sherman, Swisher, and Wheeler.

“We’re always excited to partner with a strong construction equipment dealer like AMC,” said Chris Wise, Distribution Development Manager, LBX Company. “They have strong industry knowledge and the right experience to fully service and support their growing customer base. I have full confidence in their ability to be successful with the Link-Belt Excavator line.”

“Amarillo Machinery is proud to represent the Link-Belt excavator line. We look forward to a great partnership that will be able to help maximize the customer return on investment with the Link-Belt excavators. Link-Belt’s values and goals match up well with Amarillo Machinery. Their understanding of taking care of our customers is top priority from quality of machine, parts, and service. We are getting a partner who has shown the willingness to continue adding technology and safety features to make their machine stand out from the rest,” said Dallas McMann, General Manager, Amarillo Machinery Co.

For more information on a new Link-Belt Excavator, parts or in-house and mobile service, call (806) 372-7800 or visit [Amarillo Machinery](#)

About LBX Company

LBX Company LLC offers a full line of Link-Belt hydraulic excavators—including standard, long front & minimum swing configurations—from 8 to 80 metric tons, along with scrap and material handlers, forestry machines and work tools. Link-Belt machines and work tools are available through an extensive network of dealers in North and Latin America. LBX's subsidiary company, LBX do Brasil, distributes these products in Latin America. LBX Company is a wholly owned subsidiary of Sumitomo Construction Machinery, a worldwide leader in construction equipment innovation and quality manufacturing based in Chiba, Japan.
